Chowan College Women's Soccer

"This past season served as a good building year considering we had nine new players on our squad," commented Head Coach Pam Brown. "It was a period of adjustment for all of our young players and their inexperience, but more importantly, it se as a great learning opportunity.... According to Brown, "the returning players are now veterans who know our system and will be counted on to help our program take the next step."

Senior Kat Sideris

Katerina Sideris is presented with roses for being a senior on the soccer team. Thanks for the hard work, Kat!

The Lady Braves Soccer Program took a major step in their development last season compiling a 4-9-2 record. The four victories achieved were the most in one year for the program which is only in its fifth year of existence. With a solid nucleus in place, look for the Lady Braves under Brown's tutelage to take another big step in building a solid program.

The 1997 season will be known as the break through year in the development of the Men's Soccer program. Under Head Coach Jon Lindsay's guidance, the Braves put together their first winning season by finishing with an excellent 12-5-2 record. The Braves began their season in convincing fashion by winning the Lynchburg Tournament early in the

team the confidence they needed. Coach Lindsay also coaches the Men's Tennis Team. Improvement is the key word when describing the Men's Tennis program. Lindsay saw his team make another positive step in their development by chalking up three victories, the most wins in the young program's history.

Backing up The Chowan Braves

Ready and waiting? The cheerleaders, Mia, Angel, Pamela, and Monica, stand ready for the music to start so they can make their move. The Basketball cheerleaders attempted to learn a new dance for every home game.

These basketball cheerleaders show their athletic ability by hoisting Angel and Monica up onto Mia's, Pamela's and Cindi's shoulders. And, of course, who could forget Shane spotting in the back.

Keisha makes it look so easy being up in a pyramid being held by your ankles.

Pulling Together Through Teamwork

Just a move" takes on a whole new meaning to this squad. The cheerleaders made every effort to get the crowd psyched up for the games.

Freshman Alphonso Taylor tries to block an inbound pass during this game. His aggressiveness earned him a place on the Varsity team.

Rob Burke (#14) takes a shot from the foul line which succeeded in earning two more points for the Chowan Braves.

LADY BRAVES

The sounds of basket balls on the hardwood of the Helms Center is a solid indication that Head Coach Jeannette Alston is preparing her band of Lady Braves for the upcoming season.

Alston begins her third year at the Helms looking to improve last year's 6-17 mark. "Even though the record does not show it, our program improved greatly from the year before", Alston stated. "The scores do not reflect maturity, improvement, and dedication of the five young ladies who represented the Lady Braves."

This year's schedule will feature several new teams in addition to playing some programs from a season ago. Establishing rivalries with the new programs plus participating in the always competitive Greensboro

College Tournament will give the Lady Braves a very competitive schedule. Alston's game plan and goals for this year's Lady Braves are as precise as she puts it on the chalkboard. "This will be a rebuilding for us. However, I am very optimistic on our chances of improving from the season before. We are looking to double our victories from last season. A lot will depend on how quickly our new players pick up and learn our system, if they do, then our goals will be set higher as the season progresses. The one thing you can count on is that every Lady Brave under Alston's teepee will be on the same page before they slip on the famed "Blue and White" uniform.

As Chowan embarks on it's 150th year, new and bright things are being accomplished. Kappa Sigma came to Chowan looking to begin a new era of greek life on our campus. We started our colony with a "bang" during homecoming. The brothers banded together and created a float unlike one the student body had ever seen.

We wanted to continue to help Chowan and the surrounding community by giving to the less fortunate. The Crop Walk became a great opportunity to give of our time and monies. We were able to raise a large amount of money to help those in hunger. We continue to grow and share in the excitement of expanding the greek system on campus.

During Alcohol Awareness week we had the opportunity to perform a skit to relate the seriousness that alcohol abuse can have on the lives of our family and friends.

We have had many opportunities to help our school and community. Our Commitment is to better our campus, community and ourselves. We continue to grow and are grateful for the opportunities that come our way.

The Chowan Gang

The times we had were great
In the years that flew by,
when thinking of tomorrow,
Expectations were sky-high.

Dreaming of the future
of what it holds for you,
You always knew what you thought
And what you were to do.

And when you finally find your foot
Wedged in life's door,
I hope you don't forget
What you were looking for.

Just remember, in searching for
ourselves,
Searching for a way;
Building on what we've learned,
"Forever Friends" we'll stay

Dear Allyson,

It seems like just yesterday that we traveled to Chowan for "Orientation weekend." You were so comfortable there and everyone was glad. We would think back so many times on that weekend and be thankful that at Chowan you were given the opportunity to be an individual rather than a number.

Before we knew it, the day arrived for us to take you down for your Freshman year. We had spent many late nights getting ready to handle this new part of your life. We got you settled into your dorm room, met your roommate and introduced you to a church in Murfreesboro. Little did we know that Murfreesboro United Methodist Church and the Wolfskill's would become such an important part of your life.

You have always wanted to do something with animals and have always had a remarkable gift with music. After trying several science classes and spending much time gleaming information from Mr. Tripp and Dr. Falle, you changed your major to music.

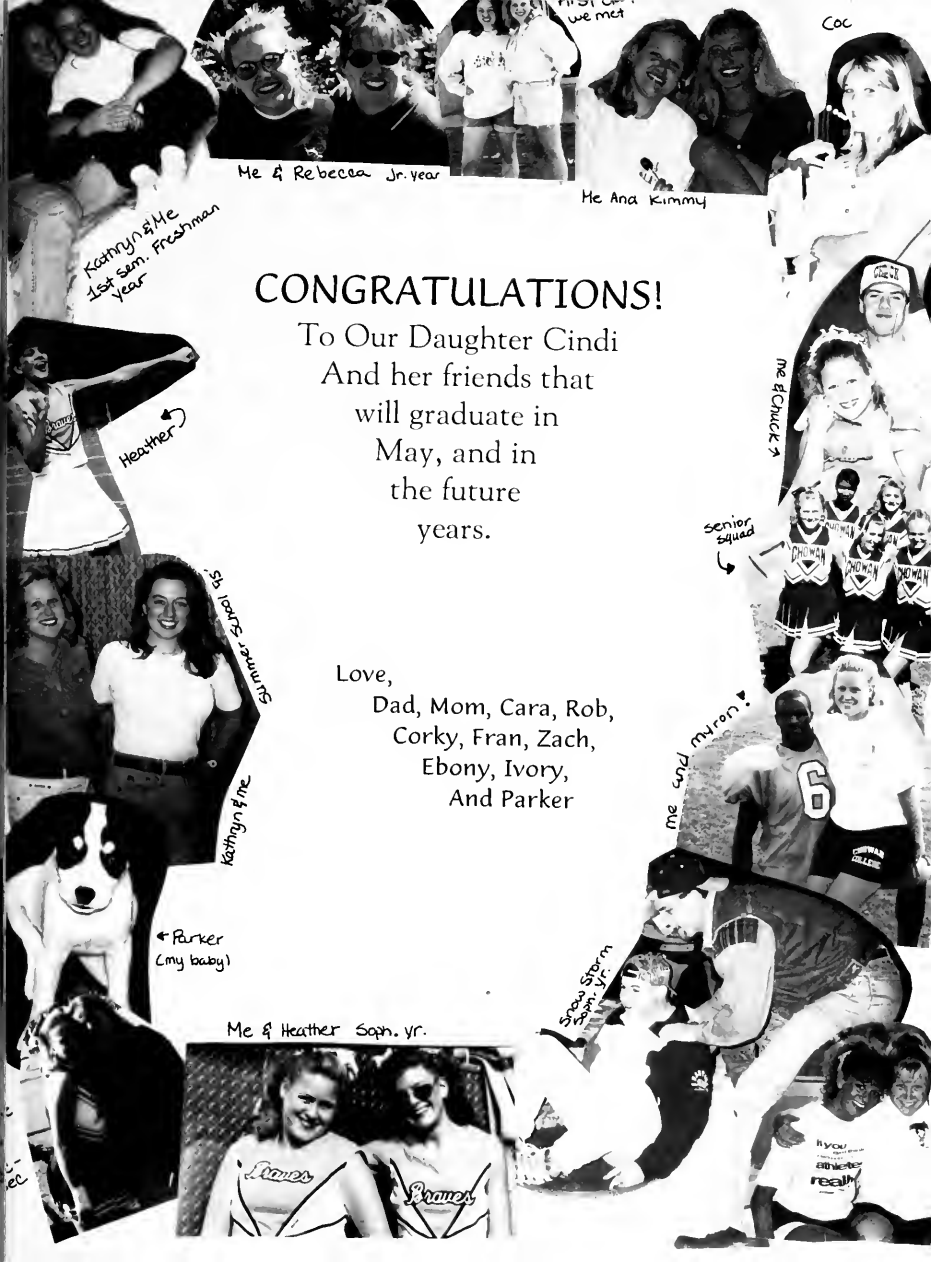

We were always hearing about Mrs. Nic and Dr. Rodgers and each time you came home we could see that you were so excited about what you were doing. Our Front Royal church family was also excited to share in your growth as you continued to come home and play for them.

You are now back at Chowan for your last semester. You continue to think about your next step. There are so many options. Dr. McIntire has become such a wonderful guidance to you.

As you finish up this semester and make plans for the future, know that we will support you in whatever you decide to do—even if it includes coming home for Lindsey's senior year. We love you and we are so very proud of you!

Love,
Mom, Dad, Lindsey, Harry, Vicky, Memaw, & J.R.

Congratulations Theresa on a job well done. We're proud of you.

We knew you would do it

*When you were
young, a little girl
You were intrigued by the
world*

*We soon learned, as time
went by,*

*That you would not quit,
just try and try*

*Throughout the years,
you have given your all
To each and every single
call*

*Today, you're moving on
in the world*

*But you'll always be our
little girl*

*Congratulations, we knew
you would do it
Always trust the Lord to
see you through it*

**Theresa,
We Love you very much.

Death be Not Proud

*Death be not proud, though some have called thee
Mighty and dreadful, for, thou art not so, for those
whom thou think'st thou dost overthrow,
die not, poor death, nor yet canst thou canst kill me;
From rest and sleep, which but thy pictures be,
Much pleasure, then from thee, much more must flow,
And soonest our best men with thee do go,
Rest of their bones, and soul's delivery.
Thou art slave to fate, chance, kings, and desperate men,
And dost with poison, war, and sickness dwell,
And poppy, or charms can make us sleep as well,
and better than thy stroke; why swell'st we wake eternally,
And death shall be no more, death thou shalt die.*

Loueen Leonard, age 59, passed away on December 23, 1997.
She will be remembered by all for her laughter and love of life.
